Elden Ring Online, or ERO, is a multiplayer online action game that features a love story between the characters of Elden Ring Online and Elden Ring Online 2. It is a cross-platform game for PC, Wii U and PS4. ●Experience the epic story of the classic PC RPG The epic story is an online RPG created by AQ Interactive, which has been redeveloped in ERO and features a resolution system that is both highly detailed and complex, and a multiplayer system that closely connects players. ●Perform variety of actions for your character in your own way The ERO game's genre is an Action RPG featuring single player and multiplayer. In ERO, you can freely customize your character as you see fit, select a weapon from a variety of types and level it up, and acquire unique skill combinations to specialize in your character's role. ●Revolutionize the world in the ERO Online where you'll encounter other players! The online action RPG is set in the world where the action RPG and the online RPG intersect. In addition to the game environments, players can also set up their own online game. In ERO, online players will be able to feel a different worldview, action scenes, and a different experience than single player. ●Become an Elden Lord, an adventurer who holds the light of the Elden Ring! In the ERO game, the battle of an adventurer who holds the light of the Elden Ring will begin, and the adventure will continue for the player. Play through

a variety of large-scale environments that have different configurations for exploration and battle. Through the experience of the protagonist, players will become an adventurer, a man, or a woman who works to free the Elden Ring.

●Online game character development Through a combination of exploration and battles, the ERO game features an evolution system that develops your character through battle. New weapons are acquired through exploration, and leveling up the weapon's level increases the damage inflicted. A move in the ERO game enables players to summon and use a summon unit from the menu, and the different moves make for fun in battle. Additionally, for the same reason, the equipment that characters wear has the ability to increase their stats. 2

Comments I'm looking forward to this game (hopefully) The reason I bought the game on PS4 and Wii U is because I wanted

## **Features Key:**

Hybrid RPG+ARPG

Fight in real time with adventurers from all over the world. Face diverse jobs and a range of enemies at the same time.

Enhance your party's attributes to enable you to fight well in all situations. Each job gives you access to powerful skills that change depending on your customization.

Have fun as you wade into the story of the dark realms.

Fantasy World with Depth

A world rich in detail and large in size. A fantasy world full of mysteries that await you to discover.

Explore the Land Between, a fantasy world where you can freely roam at will. Don't just get caught up in the adrenaline rush of battle. Be caught up in the story of the land and its people.

Elden Ring is the first fantasy ARPG to use a completely new combat system. The timing of your attacks is dependent on the timing of your screen and you can freely chain attacks. Create your own rhythm of attacks and take careful advantage of opportunities.

A Variety of Key Features Unique to Elden Ring

- Reduced quests  
Discoverable key quests that occur when you visit the game's world map can be solved without going on a quest.  
We've created quests without predetermined objectives.  
Key quests include optional content that deepens the story.  
The first fantasy ARPG that offers so much freedom and content to enjoy.
- Freedom to Examine  
A job system that gives you access to hundreds of different jobs that allow for a wide variety of customization.  
The keyword system lets you freely create your own 'custom job' and it is even possible to play the game with only one job.

- 
- An Epic Drama  
A story enhanced by the over 3000 lines of text in the game script. An epic drama born of the intertwined romantic love story, the acrimonious battle, the political conflict, and the battles for destiny.  
A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between.
  - Customization  
Elder scrolls original visual style and character design have been recreated.
