And there is still a cracked version out there. If the crack itself works on this version, it will be included in the V5.3 Crack. If the crack itself doesn't work, it will be included in the V5.4 Crack. And here is one more file, from the same author. It is an automatic update for V4.x Patches, which add achievements to the game, such as the Max Payne series. I personally used it for the GTA 4 PC version, which I have installed on my computer.
